MUSIC STUDIO

1 PLATFORM. 3 PROGRAMS.
INFINITE POSSIBILITIES.

Grades PreK–12

Music Studio is an intuitive digital platform that delivers three unique and inspiring products, connecting you with a customizable curriculum built on quality literature.

- Plan inspiring lessons anywhere, on any device.
- Present engaging slides, songs, virtual instruments, videos and more using a projector, interactive whiteboard, computer or tablet.
- Access all software and streaming audio through your browser—no downloads or updates are necessary.
- Expand student engagement with a program that can be accessed and explored outside the classroom.
- Simplify organizational tasks by using a program that has all resources consolidated in one digitally dynamic package.
- Take advantage of the three unique and inspiring programs in the *Music Studio* portfolio:
 - *Spotlight on Music*, PreK–8
 - *Music! Its Role and Importance in Our Lives*, 9–12
 - *Voices in Concert*, 6–12 choral
- Hundreds of interactive songs can be accessed effortlessly through search.
- Expertly crafted lesson plans can be presented as is or customized to meet the needs of your classroom, providing easy and powerful design flexibility.
- Assets, including slides, songs, virtual instruments and videos, can be easily added, removed, and rearranged within lessons.

Music Theory for AP

Tonal Harmony
 Eighth Edition © 2018
 Kostka

#1 Text Beloved for Its Direct Approach

For more than two decades, *Tonal Harmony* has been the leading text for AP Music Theory students and music majors. Used by nearly 800 schools, *Tonal Harmony* has been consistently praised for its practicality and ease of use for students and teachers alike. The straightforward approach is supported by well-chosen examples and thoughtful exercises, and the total presentation is compatible with differing teaching styles and theoretical points of view.

This edition also includes:

- A student workbook with all audio excerpts needed to complete the exercises.
- The Connect® with *SmartBook*® adaptive reading experience.
- Embedded audio in the *SmartBook* featuring recordings of every example from music literature found in the text.

The Theatre Experience

Fifteenth Edition © 2023
Wilson

A Ticket to the Best Seat in the House

The Theatre Experience prepares students to be well-informed, well-prepared theatre audience members. With an audience-centered narrative that engages today’s students, a vivid photo program that brings concepts to life, and features that teach and encourage a variety of skill sets, students master core concepts and learn to think critically about theatre and the world around them. As a result, students are better prepared for class and better prepared for theatre going. The textbook is noted for its lively writing style and for helping students recognize how theatre relates to our everyday lives.

Theatre Design and Production

Theatrical Design and Production: An Introduction to Scene Design and Construction, Lighting, Sound, Costume and Makeup

Eighth Edition © 2020
Gillette

Outstanding Introduction to the Craft

Theatrical Design and Production is a comprehensive and practical survey that examines the technical and design aspects of play production, including scene design and construction, lighting, sound, costume, and makeup. Design is presented as both an art closely integrated with the director’s, actor’s, and playwright’s vision, and a craft that provides practical solutions for the physical manipulation of stage space.

DEVELOP YOUR OWN CURRICULUM WITH CREATE®

At McGraw Hill, we want to empower educators and help increase student retention. What better way than by giving you the ability to create personalized course materials?

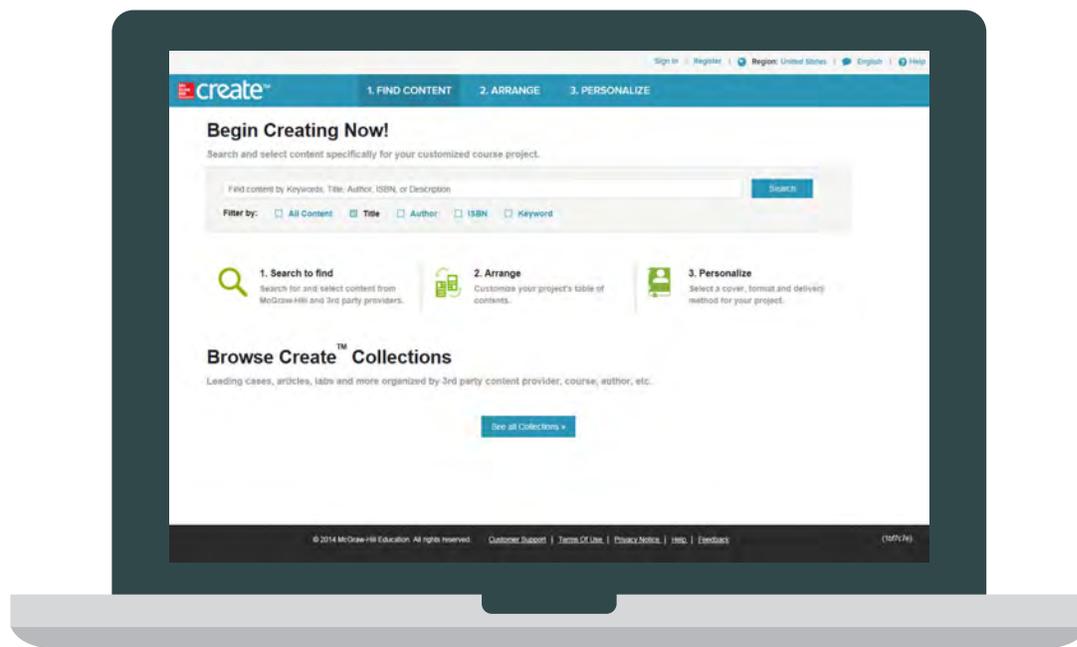

McGraw Hill Create® is a self-service website that allows you to create custom course materials by drawing upon McGraw Hill's comprehensive, cross-disciplinary content. Your print book or eBook is ready in three easy steps:

1. Find your content quickly and easily.
2. Arrange the content in a way that makes the most sense for your course.
3. Personalize your book and choose the best format for your students.

In just minutes, you'll receive your complimentary PDF review sample!

Begin creating now at create.mheducation.com

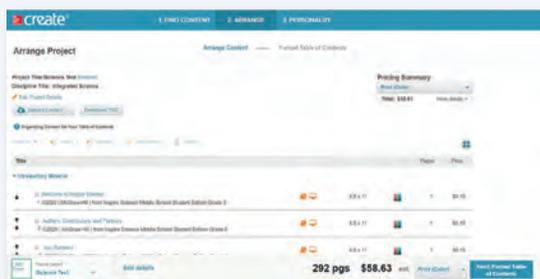

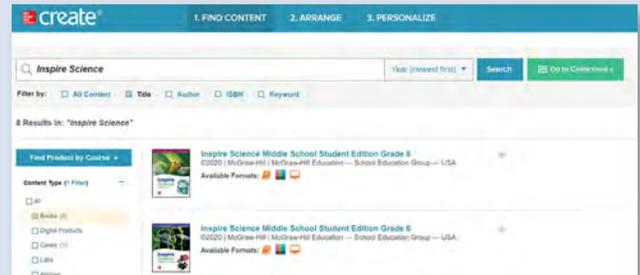

Start by registering for a *Create* account. If you already have a McGraw Hill account with one of our other products such as *Connect* or *ConnectEd*, you will not need to register on *Create*. Simply sign in and enter your username and password to begin using *Create*.

DEVELOP YOUR OWN CURRICULUM WITH *CREATE*[®]

1. Choose Your Content

Use the powerful search functionality within *Create* to access McGraw Hill textbooks and content found in the **Create Collections**, such as workbooks, science labs, and primary sources. Search by keyword or find products by course. Choose the content you want—you can easily combine content from multiple sources.

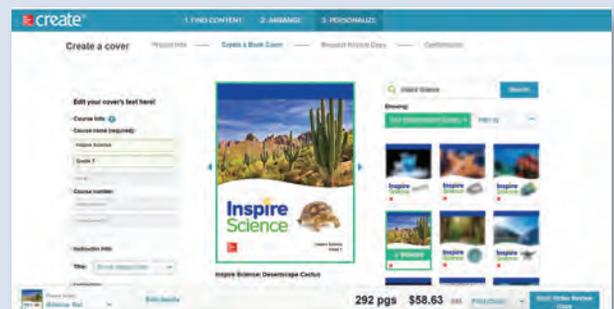

2. Arrange Your Content

After you've selected your content, *Create* allows you to simply rearrange chapters and even add section dividers to map your book to your course outline. The **Upload Content** feature enables you to seamlessly integrate your own content, such as a syllabus, teaching notes, or correlation into the book.

3. Personalize Your Book

Finalize your book by selecting a cover, adding your course information, and choosing the best format for your students—**color print, black-and-white print, or eBook**.

Review and Approve

With every book you build, *Create* provides you with a complimentary PDF Review Sample in minutes!

After you receive your review copy and approve it for use, it is ready to be ordered. The print book format can be ordered through your Sales Representative or by sending a Purchase Order directly to mhhe.create@mheducation.com.

Visit McGraw Hill *Create* today and begin building your book, your way.

Finally, a way to quickly and easily create the course materials you've always wanted!
